

MISSION OF THE MONTH FOR JUNE 2016 Habitat for Humanity

Help build
houses
and hope

A goal of Habitat for Humanity is to create community by building relationships and providing support systems for families in need of quality housing. Habitat for Humanity strives to create community by providing families with reasonably priced housing. We partner with families who would not be able to afford quality housing without our assistance and guidance.

Families selected to participate in our program undergo careful evaluation to be sure they meet strict criteria to insure the continued success of our program. Building quality shelter for each family is I important. But, more important is to develop a caring community where young lives are nurtured and supported as they strive to grow and develop in an increasingly complex and competitive world.

Volunteering with Henderson County Habitat for Humanity
Henderson County Habitat for Humanity has many volunteer opportunities available.

Opportunities include:

- Building with our **New Construction** program, available year round, Monday through Saturday
- Joining our new **Home Repair** team, which will work 3 days per week, on an as needed basis
- Assisting our **ReStore** by working as a cashier, helping to stock shelves, assisting customers and many other opportunities
- Joining one of our **Committees** which includes a Fundraising Committee, Family Selection Committee, Advisory Committee or a Community Outreach Committee
- Helping with **Office Support** which includes data entry, translation support or social media support

If you are interested in becoming a Volunteer:

Attend one of our upcoming Volunteer Orientations. Orientations are held each month on the **Third Thursday at 6:00 pm** and the **Third Saturday at 10:00 am**. Volunteers should call 828-694-0340 or email mailiff@habitat-hvl.org to sign up.

**We're Changing Lives
One House At a Time**

Your donations of furniture and building supplies help!
